Good afternoon and welcome to this afternoon's game against one of the top teams in the Second Division. I do not wish in any way to detract from the success of our competitors, in fact my respect for their achievements over the past few years can only be expressed by saying that not only do they rank high in this division, but they have also proved themselves to be a force to be reckoned with in higher competition and I feel certain that next season will show them to be worthy members of Division One.

But for the moment disregard League positions and competition success and view any Football Club relative to its place in the local environment and its effect on society generally.

It is at this stage that on careful consideration, one must conclude that the Orient ranks amongst its rivals as one of, if not the, top teams.

I can hear you saying, "But who wants only to be the nice guys, we want promotion, we want to win a cup or two". Well you're right, but this does not take away the responsibility we have, by being in the eye of the public, to conduct our affairs honourably, fairly and peacefully.

We at the Orient have a reputation within Football of being one of the friendliest of all clubs and our reputation and record of crowd behaviour is one envied by many. Certainly we do not, at present, have the same size crowds as some of our rivals but then neither do we experience, percentage-wise, anything like the same problems. The Club's performances over the last few matches suggests better times are beginning to look probable, as against possible, and that interest in our progress is growing rapidly, — hopefully followed by an increase in attendance not only for the First Team matches but for the Reserve and Youth Team games as well!

Now we can all hear the prophets of gloom saying "Bigger gates mean Big Trouble". Well we at the Orient must refuse to accept this view and work actively together to guard against any damage to our image and reputation — one that has been built over many years of football in the East End of London.

What must be our Basic Guidelines? Simply to come to Football for the very purpose of its title, namely for the sake of the Game. Come and support the Orient by shouting, or screaming if necessary, in Support of your Club, encouraging the players not only when things are going well — but when they go one down and more than ever they need your help. The perfect example of this is the "Kop" at Liverpool and heaven knows they've proved successful. Shouting and cheering does not call for bad language to be used to the embarrassment of other people around. Of course we can all do our share of swearing but there is a time and a place and an Orient match is not the time and this stadium is not the place.

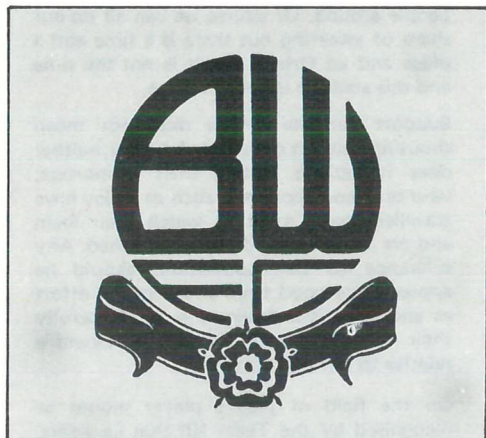

Support for the Orient does not mean shouting abuse at our rivals of the day, neither does it include baiting their supporters, who on some occasions, such as today have travelled many miles to watch their team and are to be admired not admonished. Any reference to our opposition, should be applause for good team and personal effort as and when it is deserved — and hopefully their supporters will follow our example relative to our performance.

On the field of play a player should be recognised by the Team Kit that he wears, by the number on his back, and by his style of play and not at any time by the colour of his skin. The ridiculous animal noises directed at players from time to time not only portray the ignorance of the individual making the gesture but are as much of an insult to players of a like background in our own team as to those to whom they were originally directed. If we at the Orient are to progress, it is vital that we attract not just men and boys but whole families, who join us for entertainment and pleasure. By guarding our reputation as a friendly and well behaved Club we will achieve all the success that all of our supporters have waited so long for and be an example to the rest of Football around the country.

WELCOME TO OUR

This afternoon's visitors were founded as Christ Church F.C. in 1874 and changed to their present title a century ago.

Wanderers were original members of the Football League back in 1888 and experienced promotion and relegation on four occasions as they switched from First to Second Division and vice-versa eight times between 1888 and 1911! Then followed their famous years as one of football's leading clubs during a spell in Division One that extended until 1964, broken only by two seasons in the Second Division between 1933 and 1935.

In 1971 Bolton slipped into the Third Division for the first time and after emerging as Champions two years later, have come close to regaining their Division One place during the last two seasons.

They are determined not to miss their chance in 1977-78 and with only one defeat so far are well-established among the challengers and at present lead the Second Division with twenty-one points from thirteen games, two ahead of Spurs in second place.

JIM McDONAGH — Goalkeeper — Jim joined the Wanderers at the start of last season on a month's loan from Rotherham United. He impressed and was signed on for a £10,000 fee as cover for Barry Siddall. He soon got promotion after the transfer of Siddall to Sunderland and held the first team spot for the remainder of the season. Jim stands 6ft tall and matches his height with agility.

TONY DUNNE — Full Back — Eire international who played for most of his career with Manchester United. Was a member of United's European Cup winning side and since coming to Bolton has proved to be a favourite with the fans.

PETER NICHOLSON — Defender — Signed for the Wanderers from Blackpool for a small fee prior to the 1971-72 season and has proved to be a fantastic bargain. He can play anywhere in defence and had a long spell at full back last season. Is also accomplished in midfield.

ROY GREAVES — Midfield — Long-serving player who recently had a testimonial. Born in Farnworth near Bolton, he is a non-stop worker whose work-rate has to be seen to be believed.

PAUL JONES — Defender — Paul is a central defender who has been a member of the Under-23 and full England squads. He is a commanding player in the air as well as on the ground and seems destined for further honours.

SAM ALLARDYCE — Defender — A young central defender born in the Midlands. Sam joined the Wanderers from school and since coming into the side in 1975 he has held a regular place.

WILLIE MORGAN — Winger — Started his career with Burnley then moved to Manchester United for a big fee. Returned to Burnley and was signed by the Wanderers two seasons ago. A Scottish International and member of their last World Cup squad. Willie spent last summer playing in American football for Chicago Sting.

NEIL WHATMORE — Striker — Strong attacker with a flair for scoring goals. He scored 31 times last season to top the Second Division scoring chart for League and League Cup goals.

PETER REID — Midfield — Another youngster who joined Bolton from school. Peter from Mersey side, played for England's Under-21 side last season and went on the close-season tour of Scandinavia with the national side. Is a constructive player who reads the game well and is a fine passer of the ball.

RAY TRAIN — Midfield — Signed for the Wanderers only minutes before the transfer deadline last season for a £30,000 fee from Sunderland. Has a terrier-like tackle and is always in the thick of the midfield action.

MIKE WALSH — Defender — Manchester-born Mike joined the Wanderers from school. He has had to be content with being stand-in for any of the defensive positions until recently. Took over the central defensive role when Paul Jones was injured and has played well enough to keep the No. 5 shirt on merit.

GARRY JONES — Striker — Born in Manchester, Garry is a strong running attacking player. He can put pressure on defenders and once he gains more consistency seems certain to be a regular goal-scorer.

ALAN WALDRON — Midfield — Another player who joined Bolton from school. Has recovered well from a bad ankle injury, but has been unable to regain a regular first team spot. He had a spell in America prior to last season.

FRANK WORTHINGTON — Striker — Bolton's record signing from Leicester City for a £90,000 fee in October. Started at Huddersfield, is an England International with lots of skill in the air and on the ground.

SECOND DIVISION SCENE

It looks as though the "horses for courses" theory fits as well with Managers as with teams if the experiences of JIMMY SIRRELL are anything to go by. After taking Notts County from Division Four to Division Two on a shoestring budget, he moved on to Sheffield United where little went right for him. Now Jimmy is back at Meadow Lane and the County side which had not won a League match this season before his arrival have now won two League games in succession.

Maybe our own result on Saturday was predictable for not only was it a local "derby" but both clubs have made a habit of sharing the spoils just recently. It was Millwall's fourth draw in five games and our third in six. In addition it was the fourth time in six matches that this particular fixture has ended up all square.

Things are still buzzing for Tottenham who just can't stop scoring goals these days. Though COLIN LEE had to miss the next two games after his sensational 4-goal debut, into the team came GERRY ARMSTRONG to score in the League Cup-tie against Coventry in mid-week and then follow this up with two more at Stoke on Saturday. Spurs have now won twice and drawn twice on their last four visits to the Victoria Ground.

Another "true-to-form" result on Saturday was the one at Bolton where the home side beat Luton for the fifth successive time at Burnden Park. With

only one defeat to date Wanderers are looking an even better promotion bet than in the last two seasons, when they have begun promisingly only to fall away in the final weeks.

Bristol Rovers showed little ill-effect from their 9-0 defeat a week earlier when holding Southampton to a goal-less draw on Saturday. They are now unbeaten in their last four home games.

Laying something of a "bogy" Brighton romped to a 4-0 win on Saturday over Cardiff City, who had won three and drawn two of their previous five post-war games at the Goldstone Ground. This also ended a spell of four games without a win that had set Brighton's First Division aspirations back a little. Not only did ace goal-scorer PETER WARD take his season's tally to ten on Saturday but PETER O'SULLIVAN, the busy little midfielder, chipped in with two goals, his first since January.

PROFILE

GLENN ROEDER

ARSENAL SCHOOLBOY

Glenn Roeder was on Arsenal's books as an Associated Schoolboy, but fortunately for the O's the Highbury Club released him and he signed apprentice for Orient in August, 1972.

A native of Hornchurch, he represented Essex and London Schools before making his first appearance in O's colours in a junior match at West Ham in March 1972. Gradually, Glenn was introduced to senior football making his reserve debut as substitute in a Mid-week League match at The Den, in October, 1972. He made progress in the Youth and Reserve teams and was promoted to full professional in October 1973, and was an ever-present member of the club's successful Youth team of the 1973-74 season.

LEAGUE DEBUT

His Youth and Reserve appearances were as a creative mid-field player, it was in this role that he was introduced to the League side in the home match with Notts County in March, 1975. Glenn's first appearance in a defensive position was a year later at Nottingham Forest and with Tom Walley's departure at the end of that season, he was given the number six shirt and has since made 78 consecutive appearances during

the last two seasons. Appropriately he had already been voted "Player of the Year" by the supporters, prior to the vital end of season match with Hull City.

CAPTAIN

When Phil Hoadley missed the second half of the 1976-7 campaign through injury, Glenn took over the captaincy of the team — a great responsibility, for a twenty-one-year-old in his first full season! It was not an easy time for him because the team was badly hit by injuries and spent the final stages of the season fighting the threat of relegation. However, the O's pulled through and much credit for their fighting performances was due to Glenn's example.

GOALS

Bolton have cause to remember him as a goal scorer for he scored his first league goal in a 1-1 draw at Burnden Park two seasons ago and also netted our equaliser in the 2-2 draw at Brisbane Road earlier this year. Glenn made his one-hundredth senior appearance at Notts County last month — the club against whom he made his debut 2½ years earlier. We congratulate him on reaching this milestone and hope he can keep up his scoring record against our visitors this afternoon!

GIRL TALK

Sue Bloomfield lives, sleeps and eats football. But the attractive wife of Orient's new manager isn't complaining. And she is overjoyed to be back at the club where Jimmy started his managerial career as Player-Manager in 1968.

"We have been away six years but now it seems as if we have never left," she said. "It is very natural to be here and I am enjoying it."

"It is true that we don't have much life outside football. Most of our friends and social life are involved in the game. But I like it and wouldn't have it any other way." Sue first met Jimmy when they were eight years old and went to the same school. They lost touch but met up again at a dance when she was 16 — and got married four years later.

"Jimmy took me to my first football match when I was 16 and he was playing for Hayes. I have followed him ever since," she said.

"The difference between being married to a player and to a manager is that when Jim was playing I just had him to worry about. "Now I worry about how the whole team is playing. I always defend all 11 players but I try not to get too involved."

The family still live near Leicester but Sue and her two sons never miss an Orient match.

Saturday usually consists of watching thirteen-year-old Clive play football for his school in the morning and then a dash to Leyton.

Nineteen-year-old David, who is studying at College, has given up playing football but still loves the game. He and Clive shout enthusiastically from the Directors' Box, encouraged by their equally enthusiastic mum.

J.J. COLUMN

SPORT — FROM HERE AND THERE

The guessing game goes on — who writes the J.J. Column?

Well — it's not from the pen of our genial goalkeeper JOHN JACKSON — he is often written about and prefers to use his great experience and capable hands saving goals and matches. This was certainly the case last Saturday — he was in top form and saved another penalty — great stuff!

It's strange how "Derby" games often end in a draw. Home supporters reckon they lose a point — away team fans feel they have gained a point — but 0-0 for one and all is stalemate.

Let's congratulate our near neighbours WEST HAM on their fine win at IPSWICH — The "HAMMERS" certainly deserve a break. Their Mr. RON GREEN—WOOD has the big task of guiding the ENGLAND team. We wish him luck — lots of it.

England's application to stage the 1980 European Football Championship seems to be set for refusal — I wonder if some of the rowdy crowds deserve this

showpiece? The shocking crowd scenes around the country seem to have started with the staleness of our International results — Better games — better results — positive football could dampen the offensive spirit and give more scope for the real fans to cheer.

Today's fixture is the big one — did you see last Saturday's Match of the Day" featuring our visitors v LUTON? It seemed a cracker — certainly a good advert for today's game! For several seasons BOLTON have been knocking at the door of Division One — this could be their year — but today belongs to the "O's" — it may not be T.V.'s "Match of the Day" — but it could be the "O's" Match of the Season!

Let's have your views on the game — whether on player's performance — team tactics — sportsmanship — or crowd behavior. Constructive extracts of your letters will appear in future programmes under the heading J.J. Writes, GUESS WHO?

YOUNG ORIENT

Last Saturday we were forced to field a young Colts team that lacked experience at Under-18 level in the League Cup tie with Chelsea at Highams Park. However, our youngsters fought well and despite being beaten 5-0 by the more experienced Chelsea side, two of our under 16s Peter Moles and Graham Kingham, gave very encouraging performances despite giving away age to our opponents.

Next Tuesday our Colts hope to have a strong side available for the visit of Luton Town in the First Round of the F.A. Youth Cup, at Leyton Stadium, kick-off 7.30 p.m. Here's hoping for an exciting evening and plenty of support for our talented young players.

29th October v Chelsea (League Cup Rd. 2) (H) Lost 0-5.

Team: Mallett, Brooks, Barclay, Grant, Springall, Palmer, Moles, Findley, Farebrother, Kingham, Raymond. Subs: Siani (for Findley), Evans (for Palmer) (H.T. 0-4).
